Comments	
<p>Aertekno S.R.L was visited and the ISO9001:2008 certification was reviewed. It was then determined that M.E.G. SRL, a partner company, would be providing the design and assembly services. Boeing then visited M.E.G. and requested an ISO9001 Certification also since this company would be performing the the assembly services. The ISO9001:2008 certification was provided and it is attached.</p> <p>This procurement is for the 767 Tanker Italia Air Force maintenance program located at Pratica di Mare Air Force Base located southwest of Rome, Italy. This Quality System approval is granted for Scaffolding and Lifting Non Fly-Away Equipment.</p>
